

QUICK MEASURES

PLEASE SKETCH THE OVERALL ISLAND LAYOUT IN THE STORE

Please include reference points from the store (e.g. "Butcher's"), allowing for conclusive identification of each island afterwards.

Please insert dimensions of each line-up on the following page.

Please note the line-up reference (A, B, C etc.) compared to the diagram on page 2.

IMPORTANT:

In case of cable runs, pillars or other special considerations, please contact us for elaboration. Photos will be very helpful.
